RELEASE DATE: Immediate

TITLE: Council, Commission and Committee Agendas and Videos

CONTACT: Cindy Black, City Clerk
cblack@cityofsthelena.org or 707-968-2742

ST. HELENA, CA – The City of St. Helena City Clerk's office is introducing a new Council, Commission and Committee agenda management system! Currently, the City Clerk's office is in transition building a new webpage that will provide agendas, approved minutes and videos via a new link.

This new link will provide easier access and full text search features for agendas, videos and staff reports. It will allow users to search all future agendas and supplemental documents to make records more accessible to the public.

The new agenda management link can be accessed from the City's website homepage, www.cityofsthelena.org, by choosing the top far right link named "Current Agendas". The new webpage will provide a "schedule of meetings" calendar view and an "upcoming meetings" listing. Click on the meeting title to access the agenda and archived video. Video is only available for Council and Planning Commission Meetings. The link to directly access the page is: <https://sthelena.civicweb.net/portal/>

However, the City is experiencing technical difficulties with the video on demand during the transition. The October 25, 2016 City Council and November 1, 2016 Planning Commission videos on demand will be available soon. During this transition, it may take a few days for on-demand video to be posted. As always, City Council and Planning

Commission meetings are televised live on Channel 28. We appreciate your patience during this transition time.

To view archived agendas and videos prior to October 25, 2016, please use the long-standing link to view agendas and on demand videos. Go to the City's website homepage, scroll to the bottom right side to the City Resource Center and choose the "City Agendas" link. The link to directly access the page is: http://cityofsthelena.org/city_agenda

For more information contact City Clerk Cindy Black at 707-968-2742.
